Problems answered by
UNCLE PIGG

I get a real lot of spots and all my friends make fun of me and call me 'Pizza-Face'! What can I do?

—Michelle Bond, Cambridge

Put a happy face on things. Try saying 'cheese'!

Girls and boys keep laughing at my name and calling me 'Doorknob' because my name is pronounced 'Door'. Please help!

—Mandy Dore, Kent

I'm glad you're being open about this problem and not locking it away inside you. I think you'll learn to handle it and find the key to your troubles by simply telling your pals to 'shut it'.

I am upset and distressed, because no-one takes any notice of me. What can I do?

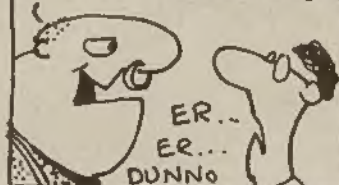

Uncle Lumpy, Ashford

Sorry, readers! That's all the problems we've got space for this issue!

Send your letters to me at 'Oink'! Everything I print wins a piggy prize picked by me!

Janice and John and the parachute jump

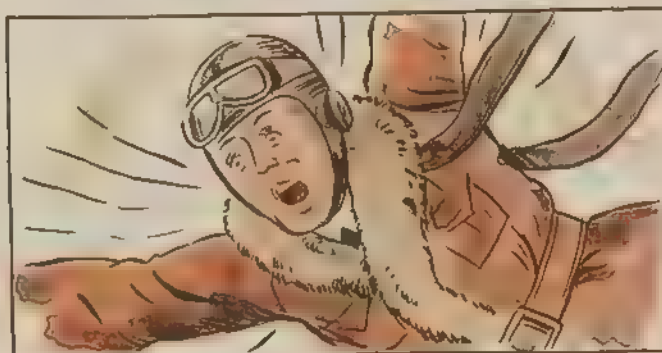

1. Janice and John have a brave daddy.
He is going up in an aeroplane.

2. He is doing a parachute jump.
"Here he comes," cries mummy.

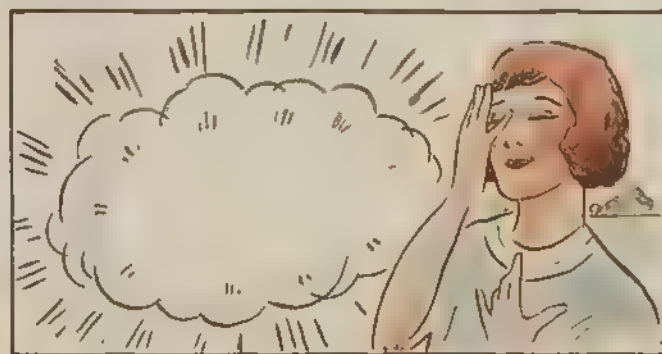

3. Janice and John wave to daddy.
Daddy waves back.

4. Daddy waves and waves as he gets closer and closer.

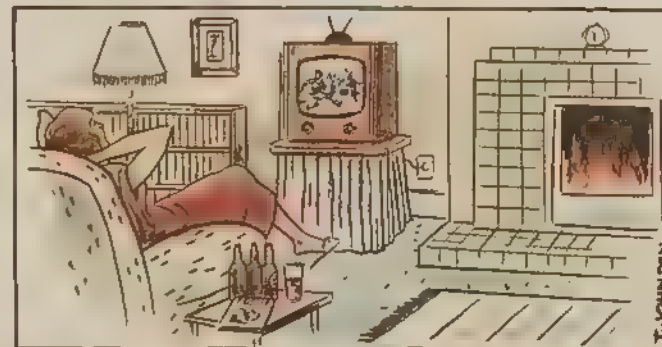

5. "My parachute won't open!" cries daddy.
Oh, dear.

6. Mummy can hardly look.
Janice and John have broken daddy's fall

7. See mummy hide the parachute before the ambulance comes. Mummy had sabotaged it earlier.

8. See mummy enjoy herself while her soppy family are in the hospital. Clever mummy!

RUSSELL GRUNT'S ★ ★ HOLIDAY ★ ★ HOGOSCOPES

Hello, dearies. Here are my predictions for the holiday season ...

PISCES THE HADDOCK (1 Feb 20 — Mar 20)

Someone's angling for favours. Don't take their bait or fall for their line, or you might get battered. Avoid old newspapers and greaseproof paper.

JIM & L THE TWINS (Apr 22 — June 21)

You'll go through some changes after swimming in polluted waters. Never mind — they do say that two heads are better than one!

CECIL THE CRAB (June 22 — July 22)

You usually come out of your shell at holiday time, but this could be a mistake. Don't accept any invitations to seafood barbecues.

BERKO THE BERK (Aug 24 — Sep 23)

You will get on the wrong holiday coach, and end up stranded in the middle of nowhere (or Portsmouth, which is even worse).

ACNE THE PIMPLE (Oct 24 — Nov 22)

Hot weather brings all your ugly tendencies to the surface. Things could boil over and erupt if you're not careful, so stay indoors with the light off.

NORMAN THE CABBAGE (Nov 23 — Dec 21)

You are completely nauseating and lacking in good taste. Good job, too, as a shark will try to eat you, but will spit you out before you're fully digested.

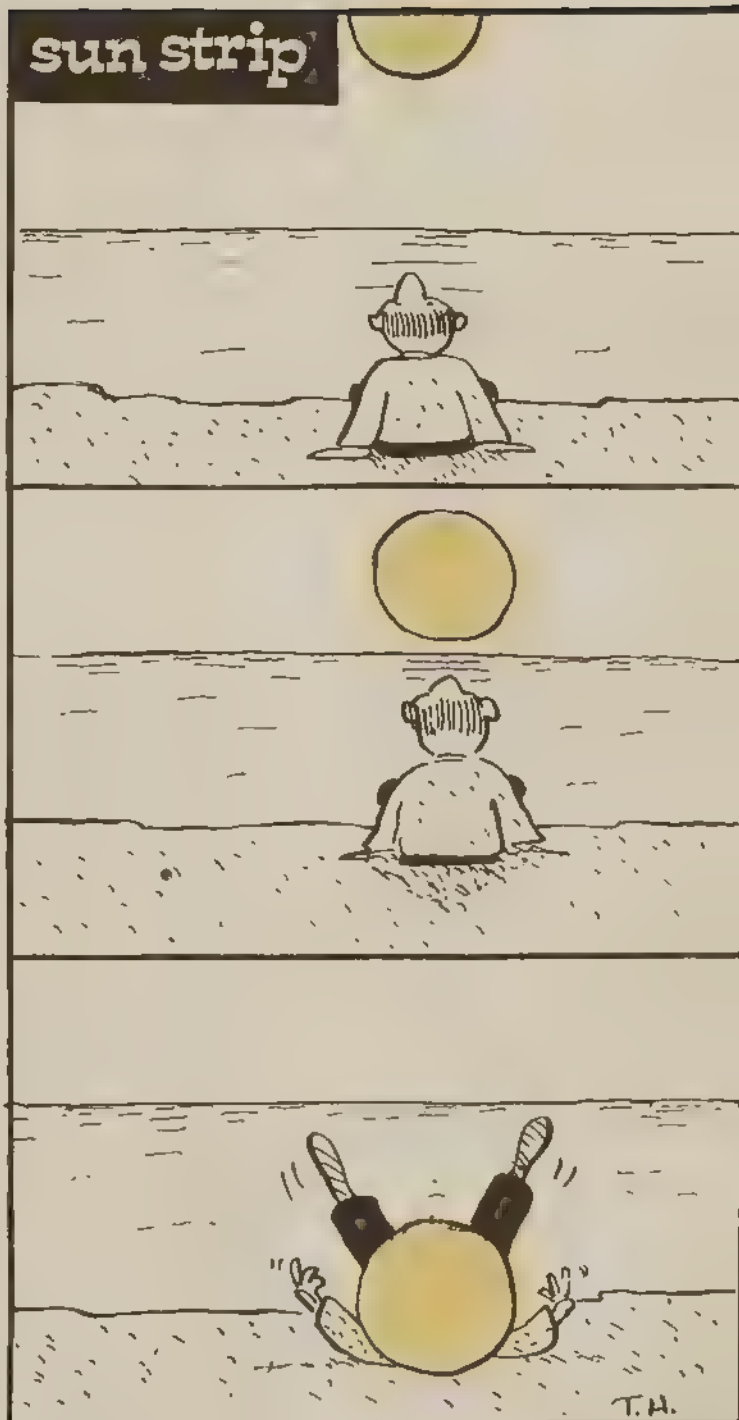

CAPRICORN THE MORON (Dec 22 — Jan 20)

You'd forget your head if it wasn't screwed on — so get your bolts tightened before you go on holiday.

ALL OTHER STAR SIGNS

Nothing interesting will happen to you this summer, unless you count being attacked by a swarm of killer bees.
